Your Plan is required to provide you annually with the following notice, which applies to breast cancer patients who elect to have reconstructive surgery in connection with a mastectomy.

- surgery and reconstruction of the other breast to produce a symmetrical appearance; and
- prostheses and treatment of physical complications at all stages of the mastectomy, including lymphedemas.

This coverage is subject to a plan's deductibles, coinsurance or copayment provisions. If you have any questions about whether your plan covers mastectomies or reconstructive surgery, please contact the Trust Fund office.
