Re: SUMMARY OF BENEFITS AND COVERAGE (SBC) required by the Affordable Care Act (ACA)

As required by law, group health plans like ours are providing plan participants with a Summary of Benefits and Coverage (SBC) as a way to help understand and compare medical benefits. The SBC provides a brief overview of the medical plan benefits provided by the Carpenters Health and Welfare Trust Fund for California. Please share this SBC with your family members who are also covered by the Plan.

Each SBC contains concise medical plan information in plain language about benefits and coverage. This includes what is covered, what you need to pay for various benefits, what is not covered, and where to go for more information or to get answers to questions. Government regulations are very specific about the information that can and cannot be included in each SBC. The Plan is not allowed to customize much of the SBC. An SBC includes:

- A health plan comparison tool called “Coverage Examples.” These examples illustrate how the medical plan covers care for two common health scenarios: having a baby and diabetes care. These examples show the projected total costs associated with each of these two situations, how much of these costs the Plan covers and how much you, the participant, need to pay. In these examples, it’s important to note that the costs are national averages and do not reflect what the actual services might cost in your area. Plus, the cost for your treatment might also be very different depending on your doctor’s approach, whether your doctor is an In-Network PPO Provider or a Non-PPO Provider, your age and any other health issues you may also have. These examples are there to help you compare how different health plans might cover the same condition—not for predicting your own actual costs.
- A link to a “Glossary” of common terms used in describing health benefits, including words such as “*deductible*,” “*co-payment*,” and “*co-insurance*.” The glossary is standard and cannot be customized by a Plan.
- Websites and toll-free phone numbers you can contact if you have questions or need assistance with benefits.

Please keep this notice with your benefit booklet. If you have any questions, please call Benefit Services at the Trust Fund Office at (510) 633-0333 or toll free at (888) 547-2054. You may also send an email to benefitservices@carpenterfunds.com.

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, visit www.carpenterfunds.com or call 1-888-547-2054. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. You can view the Glossary at www.carpenterfunds.com or call 1-888-547-2054 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall <u>deductible</u> ?	Contract <u>Provider</u> : \$128/individual per calendar year; \$256/family per calendar year. Non-Contract <u>Provider</u> : \$257/person per calendar year; \$514/family per calendar year.	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your <u>deductible</u> ?	Yes. Mental health, chemical dependency (including detox), member assistance program visits, Contract <u>Provider</u> On-Line Health physician visits up to \$59 per visit, and outpatient <u>prescription drugs</u> are covered before you meet your <u>deductible</u> .	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply.
Are there other <u>deductibles</u> for specific services?	No.	You don't have to meet <u>deductibles</u> for specific services.
What is the <u>out-of-pocket limit</u> for this <u>plan</u> ?	There is no <u>out-of-pocket limit</u> on all types of <u>cost sharing</u> , but there is a \$6,445/person (\$12,890/family) on the amount of <u>coinsurance</u> that you must pay for covered services in a year.	This <u>plan</u> does not have an <u>out-of-pocket limit</u> on your expenses.
What is not included in the <u>out-of-pocket limit</u> ?	<u>Premiums</u> , <u>balance-billing</u> charges, hearing examination and hearing aid expenses, penalties for failure to obtain precertification, <u>deductibles</u> , expenses from Non-Contract <u>providers</u> , outpatient retail/mail order <u>prescription drug</u> expenses, amounts over the reference-based pricing allowances and health care this <u>plan</u> doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
Will you pay less if you use a <u>network provider</u> ?	Yes. See www.anthem.com/ca or call 1-888-547-2054 for a list of Contract <u>providers</u> in California. See www.bcbs.com or call 1-800-	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . This is not a cost estimator. Treatments shown are just examples of how this plan might cover medical care. Your actual costs will be different depending on the actual care you receive, the prices your providers charge, and many other factors. Focus on the cost sharing amounts (deductibles, copayments and coinsurance) and excluded services under the plan. Use this information to compare the portion of costs you might pay under different health plans. Please note these coverage examples are based on self-only coverage.

Be aware your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.
Do you need a referral to see a specialist ?	Yes, but you may self-refer to certain specialists .	This plan will pay some or all of the costs to see a specialist for covered services but only if you have a referral before you see the specialist .
